Hi Jose,

If there's a way for me to pay with a credit card, that would ensure the donation gets done right away, otherwise I won't be able to get a check to you until January.

Jose - Thanks. Cathy and I are working this issue out internally. Here is what we need to change the allocation - Can you send us a brief letter signed by either yourself, or Conrado, or someone else in office, asking us to provide a specific amount for towels. The letter should be brief and also say what the towels will be used for. We need this to justify the change. As soon as Cathy and I receive, we can process.

Jose - Here is an update. First, transferring funds like this is very difficult so close to the end of the fiscal year. The original funding was only earmarked for fireworks, and neither Cathy Kuriyama or I can just transfer. In regards to pool passes, there are two issues. First, we can't do \$5,000. This request is beyond our budget. Second, we cannot directly or indirectly give anything to high school students or anyone over 13. We are prohibited by very stringent NCAA rules from giving anything to these populations.

We are also still looking into towels and socks. I am also CC'ing Cathy who is also working on this issue.

Would you please send the information regarding this event as soon as possible? Is there a non-profit that is accepting contributions for this event? USC Team,

Last year, you were generous to cover the cost of the LAFD permit for the Lincoln Park Fireworks event.

The fireworks committee is requesting your sponsorship of the estimated \$500 permit cost with LAFD for this year's event on Sunday, June 25.

Before I reach out to LAFD.

Is this a cost USC could cover and be referenced as event sponsor?

Let me know.

The ages vary from 13-18 so obviously not tix to HS kids.

They also have girls cheer if you can think of something for them.

As many tix as you can provide (75-100).

No date in mind. If there are options I would share with President of group.

Jose - Good to see you as well. Thanks for driving out to Boyle Heights!!

Will have to check this out but we have a few questions:

- What are the ages of the kids? We can't give out free tickets to high school students. There are also some other restrictions, that we will have to check out.
- How many would you need?
- Is there a specific date in mind?

Once we have this info. we can check out. Football used to be hard, and we can also check other sports if it will help.
